

process_help

```
graph LR; A[process_help] --> B[misc::centered_heading]
```

A diagram showing a call from a function named 'process_help' to another function named 'misc::centered_heading'. The 'process_help' box is shaded gray, while the 'misc::centered_heading' box is white. A blue arrow points from the right side of the 'process_help' box to the left side of the 'misc::centered_heading' box.

misc::centered_heading
